Thanks Will,

Christine, Lynda and I will strive to get on a call early today to compare notes on challenges, etc. and get some coordinated thoughts (in addition to those Christine has already shared), and get those out to you both and Ken and Holly, in preparation for the call later today. I think the time to face those devil-y details is now, to the extent we can.

Thanks, Joelle

We've got lots of conversations in various cubicles occurring around details on Oregon CZARA disapproval sequence, so I thought we should write down one trajectory that reflects my understanding of what Dennis and I have been discussing. Dennis and Christine, please have a look to verify and then we can send to the larger DC group for purposes of grounding our discussions tomorrow with some specifics. If OK, with or without edits, then we can send to the DC participants and all get squared away efficiently.

Thanks,

WS
